We Embrace practices that ensure strong stewardship of our resources.

**FY13 College Revenue** by source of funds

- Tuition and state appropriations: $32 million
- Grants and contracts: $13 million
- Ticket sales and other activities: $7 million
- Private gifts: $5 million
- Campus (institutional) funds: $4 million
We Develop graduates who are collaborators and boundary spanners, leaders and entrepreneurs, communicators and technologists.

We Engage through international collaborations and local outreach programs to take our college to the world and bring the world to our college.

- Japan House teaches traditional Japanese arts and aesthetics in a natural setting.
- In addition to the campus study-abroad programs open to all students, architecture students are eligible for an immersion program in Barcelona.
- Action Research Illinois addresses social justice, sustainability, and development issues in partnership with community residents.
- Krannert Art Museum connects with elementary schools through Week at the Museum and with high schools through the Art Speak Teen program.
- Krannert Center for the Performing Arts shapes the cultural life of the region through its Youth Series performances that integrate with classroom work. KCPA also offers hundreds of free concerts, workshops, and activities each year.
- The School of Music enriches lives through the Illinois Summer Youth Music program, marching band championships, clinics, and youth concerts.
- Krannert Art Museum and Krannert Center for the Performing Arts feature world-class artists from around the globe.
- Architecture students and faculty are devising sustainable solutions to rebuild the infrastructure of an earthquake-ravaged community in Haiti and homes in the tornado-torn towns of Washington and Gifford, Illinois.
